

Desperately Seeking Chocolate Frosting

1 Bottle Desperately Seeking Chocolate's hot fudge sauce (2 tablespoons reserved)
3 tablespoons cream cheese
1 tablespoon sour cream
1 1/2 to 2 cups powdered sugar

Blend hot fudge sauce, cream cheese, and sour cream together with electric mixer. Add powdered sugar 1/2 cup at a time to desired consistency. If frosting is too stiff add a little more sour cream. Frost completely cooled cakes.

Melt the 2 tablespoons of reserved sauce in microwave at 5-10 second intervals until warm. Using a fork drizzle sauce over frost cake in "Z" or crisscross design.
